Gov. Fletcher's Campaign Methods!

Senator Page is receiving a large number of letters insis that he meet Gov. Fletcher on his own level and attack him on many vulnerable points.

He has received offers of facts concerning both the public private record of the Governor which are claimed to be damag in the extreme.

In every case these offers have been declined with the as ance that Senator Page would not descend to this method of c paigning.

GOV. FLETCHER SEEMS TO BELIEVE THAT IN ORD TO BUILD UP HIS OWN SENATORIAL FORTUNES HE MI TEAR DOWN AND DESTROY SENATOR PAGE.

He forgets that Senator Page has always lived in Vermor that commencing in 1869 as a Representative from Hyde Park elected in 1870; elected a State Senator in 1874; a member of Republican State Committee from 1872 to 1889, and its Chairr from 1885 to 1889; as Bank Examiner from 1884 to 1888; as C ernor from 1890 to 1892; and as United States Senator from 1 to 1916, he has been continuously in the lime-light in public ser to such an extent that the people of Vermont have formed an o ion as to his integrity and ability which cannot be undermined destroyed in a few brief weeks of political advertising.

Gov. Fletcher forgets that Governor Page has been deal with the people of Vermont in a business way all these years that his reputation for integrity and square dealing, whether g

Senator Page is quite willing to await the arrival of S 12th to receive Vermont's verdict relative to the introduction Gov. Fletcher's Indiana methods into Vermont State politics.

A RICH AFFIDAVIT.

As a sample of the campaign methods by which Gov. Fletc hopes to reach the United States Senate, it may be stated that th is now being slyly circulated through the State an affidavit m by one Arthur M. Rich-a discharged clerk of Senator Pagethe effect that when this young man was in Senator Page's of employ in Washington the Senator took from him a pertion of salary, and put it in his own pocket.

Letters have already been received by Senator Page calling attention to this precious concoction in the counties of Orioans. sex and Windham and the probabilities are that it has been ci lated throughout the State. Senator Page has twice sent t office of Williams & Smith of Newport for a copy of the Rich fidavit, but has been unsuccessful in securing it. That the a davit is absolutely false the Senator states unqualifiedly and t indisputable documentary proof to show its falsity is now in

It was executed in the law office of Williams Smith at Newport, the political headquarters of Albert M. Flets in Orleans county. The affidavit was savorn to lading P.
